

Here's what you need to know before buying men's shoes and men's and women's sneakers from the Argentine brand "FabioShoes".

Fabio Shoes creates tango shoes designed to provide maximum comfort, stability, and freedom of movement. Their lasts are specially designed to adapt to the foot and withstand long hours of dancing without pain. We offer different types of soles: chrome, for greater sensitivity and grip, and leather, a rigid sole ideal for both dancing and everyday wear. Each pair is handcrafted with 100% Argentinian materials, combining elegance, durability, and quality in every detail. At FabioShoes, the shoe adapts to the dancer so they can enjoy tango with confidence and comfort with every step.

* We are wholesalers.

* For men's shoes and sneakers, we have sizes from European 39 to 46 (US 6.5 to 12).

* For women's sneakers, we have sizes from European 35 to 40.5 (US 5 to 9.5).

* Sneakers are only made with chrome soles (flexible and only suitable for dance floors). Boots and men's shoes can be made with chrome or leather soles (very slip-resistant and suitable for any type of floor).

* For men, we have 2.5 cm heels.

* For women, we have 3 cm (thick), 4 cm (thick), and 7 cm (thin) heels.

* **The sales process is 100% customized.** The minimum purchase is 6 pairs of the same model with the same characteristics; the only difference is the size. You can choose the models as shown in the photo catalog, or you can choose colors, materials, heel height, and sole type. For wholesale orders, the production time is between 30 and 45 days. For your convenience, **you can order 1 or 2** different pairs of shoes to try on and verify their quality. Once you have tried them and confirmed they are what you are looking for, you can place a wholesale order. When ordering 1 or 2 pairs, the price is not wholesale and ranges between US\$115 and US\$154 per pair, depending on the chosen model. They will be shipped immediately after receiving your payment; they do not need to be manufactured since they will be from FabioShoes' stock. Please tell us the shoe model and size you want, and we will let you know if we have it in stock. Wholesale prices are at the end of this document.

* If you are planning to make an order of 25 or more pairs, we suggest you to talk with your local customs to see if they require some procedure or documentation to import our shoes with success.

* For wholesale orders, a 50% deposit is required, and the remaining balance is due once the order is ready to ship. Once you notify us of your order, we will inform you of the shipping cost. We cover shipping taxes of Argentina and the customer covers destination taxes. We offer two shipping options: economy and express. We ship almost worldwide via FedEx.

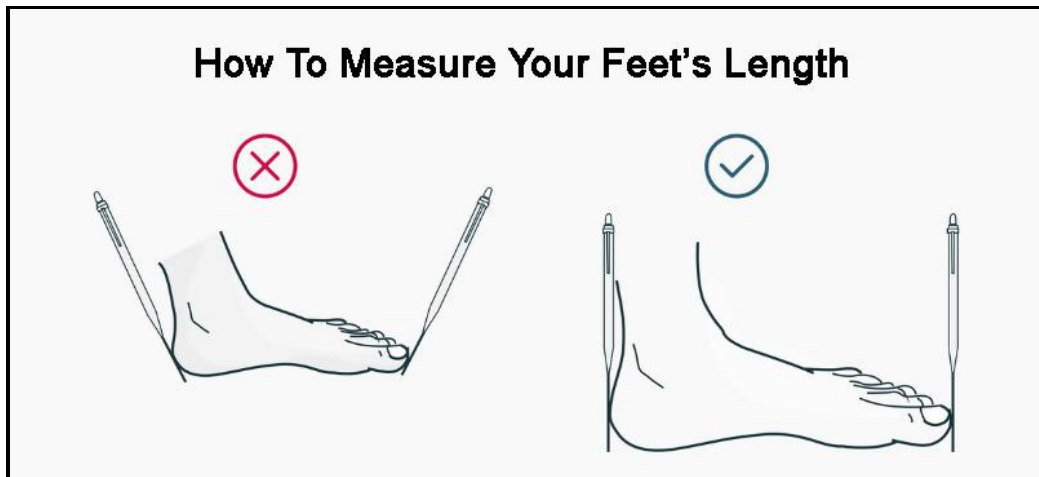

* For wholesale orders, we accept payments via bank transfer and Global66. For orders of 1 or 2

pairs, we accept PayPal.

* **We do not offer exchanges or refunds for sizing issues**, but we will consider manufacturing defects, should they arise; please contact us.

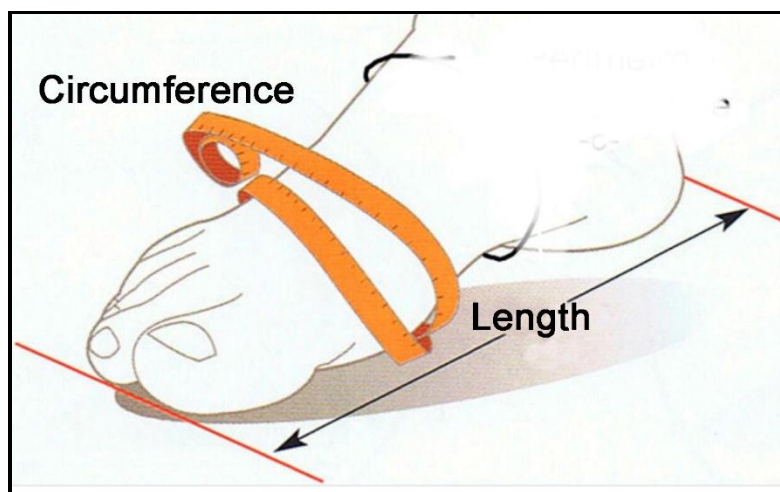

* If you are interested in placing an order and would like more details about the wholesale purchasing process, please contact us by email at tangoshoeswholesalers@yahoo.com or by WhatsApp at +54911-3889-5220.

* If you'd like to purchase one or two pairs to test their comfort and quality, or if you'd like to place a group order for yourself and your tango-loving friends, please follow these instructions:
Since shoe sizes vary slightly from country to country, to avoid sizing issues, please measure the length and circumference of your feet in centimeters and provide us with the larger measurement (as one foot is often slightly larger than the other). Also, please indicate your usual shoe size so we can provide you with the most suitable size. (If you are purchasing shoes to stock and resell, please specify the sizes you require; foot measurements will not be necessary.)

How To Measure Your Feet's Circumference

Please give us your feet's width in centimeters, which is the circumference of your foot at it's widest point.

By ordering, customer states that has read, agreed and understood the terms and conditions of this document.
